

The Chenoa Public Library is nearing its goal!

Due to our community's tremendous support, we currently have over \$500,000 that can be directed to a new facility that has an expected cost of approximately \$800,000. We are beginning a pledge drive to complete our mission of providing an accessible library to the citizens of Chenoa.

We pledge our gift amount of \$_____ to be paid in installments of \$_____, over a period of _____ months/years.

The library respectfully requests that donation installments begin by December 2017, and conclude by December 2018.
