Welcome to the Chenoa Junction Newsletter Introduction Issue

The Chenoa Junction will be a monthly publication that will be released around the 3rd Monday of each month. This newsletter will give updates on projects, share city news, include messages from the Mayor and City Council, responses to resident questions, detail city codes, communicate important city dates, etc.

**Issue 2 Coming –
September 18, 2023**

If there is a subject you would like information on, let us know. A form will come out with the next issue to share your thoughts.

The Chenoa Junction will be linked on the City of Chenoa website, on the City of Chenoa Facebook page as well as we will have printed copies available at City Hall. If you are unable to make it to City Hall, we can have an issue emailed or mailed to you.

Mayor Shane Lane

This section will include updates directly from Mayor Shane which can include updates on projects, future plans, responses to residents, etc.

Resident Avenue

In future issues, this section will be used for resident comments, questions and concerns.

We want to hear what questions you have. Others might have the same question so we will address in this public forum.

We want to thank Chenoa residents for your participation in the Chenoa surveys. We have learned a lot about what your interests are and what you want to hear from the Mayor and Commissioners. This newsletter is a request from several residents to help with city communication.

EyeonWater®

The Eye on Water App is an Smart Phone App. It is a great way for you to monitor your water usage and be notified of any possible leaks. It is easy to sign up and to review.
