# Chenoa Club Crossing

BSA Troop 822 from Chenoa is a boy scout troop for boys aged 11 - 18 years old. Some of the things we do are camping, fishing, cooking, hiking, first aid, and community service projects. We always have a 1-week summer camp we attend, and usually another big trip somewhere else each year. This year will be at cache lake camp in Ontario. In the past we have been to Grand Canyon several times, Bighorn mountains in Wyoming, and the porcupine mountains in the upper peninsula. Our meetings are the first and third Sundays at 6:00 and we have a committed meeting on the second Sunday of each month. We've had about 15 scouts reach the rank of eagle scout over the years! Our main purpose is to have fun, learn life lessons, know the difference between right and wrong, do a good turn daily and live by the scout law.

With our fundraising and support from the community, a boy can join our troop, attend summer camp, go to some merit badge seminars, go on some small campouts, without the family having to pay any fees. That is something we are very proud of and it is only possible because of our community support.

Chenoa City Wide Garage Sales are May 3, 4 and 5<sup>th</sup>, 2024
